## Partnering With Parents

### New Themes for March

#### Early Childhood

This month, preschoolers will learn how they are wonderfully made by God, in His image!

#### KidsPoint & Ignite

Everything God created is unique and one of a kind, including people created in His image. Jesus loved all people regardless of what they had done. We can reflect God's love in how we love Him and others!

### Drive Time

Whether you're on a road trip for spring break, taking a long drive to a relative's house, or even on the way to baseball practice, you can help turn your kid's eyes away from devices and towards you and one another!

Here are a few conversation prompts:

1. What is the funniest thing you saw or heard?
2. If you could be invisible for a day, what would you do? Why?

Here are a few games to play while you are on your way:

1. Name a color and see who is the first one to spot 10 items outside of the car.
2. Working your way through the **ABC's**, take turns naming things you're so hungry you could eat. For example: You: "I'm so hungry, I could eat an **A**ardvark." Your kid: "I'm so hungry I could eat a **B**uffalo."

## Volunteering with Children

We have a great team of volunteers that make our Children's Ministry happen every Sunday and Wednesday.

Please prayerfully consider joining one of our teams. This is a wonderful way to show God's love for those right here at our church.
