Make The Most of Summer

Summer is brimming with amazing potential for your family!

For most, summer means you'll be spending more time together. Maybe you'll take a long vacation or a road trip. This summer we want to challenge families to be intentional with how you spend this extra time. We want you to do your summer on purpose, viewing it as a unique opportunity to invest in those you love the most. Below are a few questions to help you be intentional this summer in a way that fits your family:

- *What are three words that would describe your ideal summer?*
- *Ask your kids, "What do you hope we get to do this summer?"*
- *What do you want to learn about your kids?*
- *Are there any new skills you want your kids to learn that you could be a part of?*
- *Are there any service projects or mission trips you could help with as a family?*
- *By the end of the summer, what are a few fun activities you and your family can do together that you normally wouldn't?*

Check It Out: New Themes for Early Childhood, KidsPoint, & Ignite

Early Childhood

We are going to Power Up through the next two months with the hope of creating a super fun and engaging experience for preschoolers to learn about the Fruits of the Spirit - what happens when we are connected to Jesus, the real power source.

KidsPoint & Ignite

God created us in His image, and He sent His Son, Jesus, to show us the way to live. He also know we would need help; that's why He sent us the Holy Spirit. With the power of the Spirit, we can produce fruit that points others to Jesus. This summer kids will discover what the Apostle Paul calls the fruit of the Spirit. Through the Spirit, we can Transform to be more like Christ.

Serve This Summer

Summer is one of our favorite seasons at Grace Point Church. We have fun summer activities for the kids to connect at church. We can't do this without a great group of volunteers. Consider helping this summer, whether it is filling in for our regular volunteers while they are on vacation, getting to know a small group of kids, checking in kids at the check in booth, or helping with Vacation Bible School. In whatever capacity, we would love for you to join the Children's Ministry Team this summer. For more information contact gaby@gracepointsd.com

Faith News Musical

We had a wonderful musical last month with our kids singing all about God and His Good News! Congratulation to Branden and the team for this wonderful production!
