Create A Rhythm All Week

In the words of Ferris Buller, from *Ferris Buller's Day Off*, "Life moves pretty fast." Somedays can feel like a never ending scramble, and other days can leave us wondering, "What just happened?"

In Deuteronomy 6, Moses gives parenting advice: 'These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up'.

Parenting success is comprised of a series of moments and not one single event. Instead of creating new activities to do in an already busy life, take advantage of the times that already exist in your day to day routines: bedtime, mealtime, morning-time, and drive-time.

Let the Parent Cue App help you to make the most of these different times by offering thoughtful questions and ideas. In addition, you will have access to videos and other information of what your child learns at Grace Point on Sundays and Wednesdays.

Check It Out: New Themes for Early Childhood, KidsPoint & Ignite

Early Childhood

This month, our goal is for preschoolers to know Jesus loves them, and that nothing will ever change that. We've planned some super fun, hands-on-activities and are ready to tell amazing Bible stories!

KidsPoint & Ignite

Jesus demonstrated what serving really means by washing his disciples feet and even laying down His life for the sins of the world. We reflect his character to the people around us when we lend a hand and serve.

Volunteering at Grace Point

We have a great team of volunteers that make our Children's Ministry happen every Sunday and Wednesday.

A big THANK YOU for those of you who volunteer!

Please prayerfully consider joining our team, especially if you currently have children in the ministry. This is a wonderful opportunity for you to model to your kids what it means to be a follower of Christ and serve others.

Welcome To Suk Pak

We welcome to our Children's Staff our new Early Childhood Coordinator; Suk Pak. She will be working with our young children (3 year olds through kindergarteners) and our ministry partners. We are excited for her to join our team. Please make sure to stop by the playground on Sunday and welcome her!
