SECOND & THIRD

THE PHASE **WHEN** →

AND YOUR ENTHUSIASTIC KID ↓

FAIRNESS MATTERS MOST, ← DIFFERENCES GET NOTICED,

THINKS ANYTHING ↓

"SOUNDS LIKE FUN!"

“It’s Just a Phase, So Don’t Miss It!”

In this phase, your kid is learning to compare. It’s why fairness matters, why clubs form, and why competition can sometimes lead to heartbreak. But comparison also provides an opportunity to help your kid discover how unique they are. Just remember, by praising effort over ability, avoiding labels, and providing balanced experiences, you are helping them broaden their competence and become who they were created to be.

Check It Out: New Themes for Early Childhood, KidsPoint & Ignite

Early Childhood

This month, we're going to start our ride through the Bikes and Trikes theme as we teach our preschoolers that the Bible tells us which way to go.

KidsPoint & Ignite

God is stronger than anyone and He can do things that would be impossible for you and me. He has proved this throughout history, but nowhere is this more evident than in the life, death, and resurrection of Jesus. Because of what Jesus has done, we can have confidence. And when you put your faith in Jesus, you can live fully alive!

Celebrating Family Wins

You and your family have made it through another school year. Think of all those early morning wake ups, those last minute projects, the forms, and the volunteering you've accomplished!

It's a big deal. And it's definitely something worth celebrating. Tailor the below suggestions for a family celebration.

Before the Celebration

Pick a time and date and something enticing...like cupcakes!

At the Celebration

Start with fun awards and share funny stories. Then ask simple questions like: What's one thing you learned? What's one new skill you gained? What's one way you grew in faith? What's one thing you want to do next school year?

End with sincere compliments about what you have noticed. End your time in prayer, thanking God for the past year.

After the Celebration

Record some of the family answers in a creative way. Write each person's win on a sticky note and place it in their room where they can see it every day.
