## Easter Celebrations 1, 2, 3!

## Check It Out!

Here are the new themes this month in Early Childhood, KidsPoint and Ignite.

### Early Childhood

This month is about Jesus and how He taught the disciples to be fishers of men. How did they learn to

be fishers of men? They followed Jesus! And, we want our preschoolers to know that they can follow Jesus too!

### KidsPoint & Ignite

When Adam and Eve decided that their way was better than God's way and broke God's rule, it changed their

relationship between God and His creation. When once everything and everyone could be in the presence of God, now we were at odds with God. God could have done anything He wanted, including wiping us out and starting over. But instead, God decided to make peace with us through His Son, Jesus.

### "It's Just a Phase, So Don't Miss It!"

The struggle for independence has begun! This is the "do it myself" phase! What's a parent to do? Three ideas to help parents of this phase: be patient, give lots of encouragement, and establish routines. Remember, they are not only learning new skills, they are also developing confidence they need in order to move on to the next phase.
